---

Children are a blessing and a gift from the LORD. –Psalm 127:3

April 30, 2019

Dear Family,

We are excited that you are considering a quality Christian education for your preschooler. St. Matthew Preschool strives to reach our mission and “help young children discover God’s love, learn to share it with others and prepare them to live in God’s world.” We respect each child’s individuality, uniqueness and culture. Our small class size of twelve children enables our caring and compassionate staff of two highly trained teachers to prepare your child for a strong spiritual and academic foundation to build upon.

St. Matthew Lutheran Preschool is licensed by the state of Ohio and inspected yearly by the Ohio Department of Jobs and Family Services (ODJFS). We are also proud to be part of the Lutheran Education System (LES) in the state of Ohio. Our preschool program is inspected and assisted by the Superintendent of Lutheran Schools for the Lutheran Church LCMS- Ohio District.

Our preschool program is guided by the principle that children learn best through play. We provide a curriculum rich in hands on experiences that are developmentally appropriate. WE support young children in their growth and development in six vital areas:

- Socially
- Intellectually
- Emotionally
- Physically
- Aesthetically
- Spiritually

St. Matthew follows a Bible based curriculum. We spend part of our day in teacher selected activities/stories/games and the other part in child selected activities in learning centers in our classroom.

If you have any questions, or would like to receive additional information about St. Matthew Lutheran Preschool, please contact me. I can be reached at the church (937)233-4632 or by cell (937)708-1489. If no one answers, please leave a message and I will return your call regarding our program.
